

Mapping Your Ecosystem Worksheet

Purpose: Identify current and potential partners, relationships, and community assets to support coalition building.

1. Your Organization (Center)

Write your organization's name in the center of your page or circle below:

2. Current Partners

List organizations, groups, or individuals you already collaborate with:

3. Potential Partners

Who aligns with your mission but you haven't connected with yet?

4. Community Stakeholders (recovery orgs, mutual aid groups, harm reduction, cultural orgs, clinics, schools, etc.)

5. Missing Voices

Which communities or perspectives are not represented but should be?

6. Priority Connections

Circle or list 3–5 partners who would bring the most value to a coalition effort:

1. _____

2. _____

3. _____

4. _____

5. _____

7. First Action Step

What is one outreach action you will take in the next 7 days?
